THE STATE BANK WELCOMES NEW MORTGAGE PROCESSING MANAGER

August 21, 2018, Fenton, MI – The State Bank is proud to announce and welcome Asia Maeder as the Company’s newest Mortgage Processing Manager. Maeder will be responsible for managing the workflow of the residential mortgage processors to ensure timely and accurate processing of mortgage applications.

Asia has worked in mortgage processing for over 15 years, and brings an extensive amount of experience with her in all facets of residential mortgages, from home equity loans and primary residence loans, to secondary homes and investment transactions. Most recently, Asia held an underwriter position at Citimortgage, Inc in Southeast Michigan. Asia has a bachelors degree from University of Michigan, and years of experience in sales, lending and management.

“I’m very excited to be working with The State Bank as they support local residents and businesses. The mortgage team is exceptional and delivers results for not only the bank, but more importantly for the customers who have come to trust The State Bank. I am also happy to report that the department is growing to meet the lending needs of our customers, so come see what we can offer you,” says Maeder.

Craig Johnson, Senior Vice President at The State Bank, states “We are very pleased to have Asia join The State Bank team. Her extensive background in the entire mortgage process will help the bank continue to expand our level of service to our customers and referral partners.”

Contact information for Asia Maeder can be found below.
